## REPRESENTATIVE TO THE UNITED NATIONS (NGO)

4526 Coronet AVE  
Virginia Beach VA 23455  
(863) 529-5721  
Email: Liana@omegataower.com

### GOALS AND METHODS

#### Goals:

1. Analyze and interpret to the NFMC membership the aims and works of the UN.
2. As an organization included in the official roster of the UN, to reaffirm music as a universal language and to enhance the musical path of mutual understanding through cultural enrichment at all levels, amateur or professional.
3. Continue to observe and to cooperate for the survival of music in all its multiple noteworthy facets, whenever the opportunity arises.

#### Methods:

1. Attend and study the content of briefings and conferences at the UN Headquarters in New York City, particularly those projects devoted to education and culture – topics that the Congress of the United States has chartered NFMC to represent in our nation.
2. Attend, when possible, the UN Civil Society Conference.
3. Share information with NFMC members about Agenda 2030 and the 17 Sustainable Development Goals through *MCM* and *Junior Keynote* articles, updates on the NFMC website and presentations at national and state conferences/conventions.

In 1945 an observer designated by NFMC witnessed the historic founding of the United Nations in San Francisco. The United Nations accorded NFMC official accreditation in 1949. Each succeeding NFMC president, supported by the board of directors, has continued and strengthened NFMC ties with the United Nations. The National Federation of Music Clubs has the proud honor of being the first and one of the only music organizations included in the official roster of the United Nations Department of Global Communications.

In 2019 the Federation marked its 70<sup>th</sup> year of involvement with the UN DGC. During that time, our organization has supported the work of the United Nations and added to the culture of UN Headquarters in NYC, including the donation of a Steinway grand piano in 1985. Over the years that piano had been used predominantly by the UN Singers. Unfortunately, that piano was housed in what is now a condemned portion of UN Headquarters and is no longer in use; due to security and safety concerns, it cannot be moved from its current location.

In January 2016 the 2030 Agenda for Sustainable Development was implemented, having been adopted by all member states in 2015. It is a blue print for countries, regions, cities, the business sector and civil society to end all forms of poverty, fight inequalities and tackle climate change while ensuring that no one is left behind. At its heart are the 17 Sustainable Development Goals. Each goal focuses on a specific challenge facing the world population.

NFMC members can learn more about Agenda 2030 and the Sustainable Development Goals here: <https://sustainabledevelopment.un.org/>. NFMC members have the opportunity to be national and global leaders in bringing about fundamental positive changes in our society through the arts. As a member of the UN DGC, we have the ability to do just that.

PARADE OF AMERICAN MUSIC CLUB AWARD**  
Suggested Publicity for American Music Month

**Note:** Information in underlined passages is required. The wording may be rephrased.

In February 1955, founder Ada Holding Miller, the 17<sup>th</sup> NFMC president, established the NFMC American Music Department along with the Parade of American Music. Its purpose was to create a time for special emphases on all types of American Music.

In 1987, New York Federation Life Member and widow of Professor Rudolf R. A. Schramm, along with friends, established the **Professor Rudolf R. A. Schramm Award for the Parade of American Music.** Mrs. Schramm and friends donated the funds to endow this annual monetary award to the NFMC music club presenting the most outstanding American music program during the month of November. In 2006, the endowment was increased substantially by Mrs. Schramm and friends.

Professor Schramm was a distinguished composer, conductor, musicologist and arranger, first Music Director of the US Office of Education; conductor of over 15,000 TV and radio programs, including President Roosevelt's "Fireside Chats" and Mrs. Roosevelt's "My Day"; composer of over eighty film scores, including the documentary "Nanook of the North"; one of the founders of the National Symphony Orchestra in D. C.; first music scientist to develop the Total Rhythm Families. Dr. Marion Richter and Dr. Merle Montgomery were his students.

By action of the NFMC Board of Directors in August 1998, American Music Month was changed to the month of November beginning in 1999. This was done at the request of the Sonneck Society for American Music which was founded in 1975 and named for Oscar Sonneck, early Chief of the Music Division of the Library of Congress and a pioneer scholar in the study of American music. The Society was incorporated in 1975. It seeks to stimulate the appreciation, creation, performance, and study of American music in all its historical and contemporary styles and contexts, including art, popular music, the music of ethnic groups, minorities, and the full range of activities associated with music in North America, including Central America and the Caribbean. In 1998, the Sonneck Society voted to change its name to the Society of American Music.

### GOAL AND METHODS

#### Goal:

Increase an awareness of the importance of folk music as a unifying entity in America, connecting the nation's cultures, occupations, philosophies and emphases from colonial days to the multi-cultural present.

#### Methods:

1. Present ten (10) monetary awards to senior clubs that present the best programs featuring folk music.
2. Adopt the theme, "We Need to Sing!"
3. Sing a folk song at every NFMC meeting.
  - Sing it together. Have a grand old sing-along time.
  - Sing old favorites. Learn new favorites.
  - Be broad in the definition of folk music.
4. Make enthusiasm a prime priority in the choice of song leader and/or accompanist. Be ready to teach "the old standards" to younger members, some of whom grew up being listeners rather than participants. Don't assume that everyone knows the words of the patriotic songs.
5. Don't take more than a few minutes for the singing part of the meeting. Reviewing lyrics and/or teaching the melody does not take much time.
6. Be sure song sheets comply with copyright laws.
7. Continue to schedule programs with special guests and performers for folk music programs.
8. Clubs should report their activities to the chair each year.

#### Connect the Links:

1. Each club needs to remind their members that folk music is an important element of NFMC.
2. Each region and state shall appoint a folk music chair.
3. Reports and entries are due to the national chair by May 15.

**Folk Music:** Music that is significant because of its person-to-person connection, reflecting concepts of heritage, history, humor, heartaches, and all aspects of everyday living. Folk songs are passed from generation to generation. They may be traceable to a composer/writer, or they may have sprung anonymously.

#### **State Chairs:**

1. Obtain a list of your state's current club presidents with addresses.
2. Write a letter to club presidents during the summer or early fall; give them the objectives stated above and any other information that would encourage active participation by the club in this project.
3. Suggest to the club presidents that appointing a Music Outreach chair is helpful.
4. Include with the letter to club presidents a copy of AR 10-1 for reporting their club's activities. This must be *postmarked on or before April 1*.
5. Send a copy of AR 10-2 (use current form). This must be *sent to the national chair postmarked on or before May 1*.
6. Stress that only the hours given to the confined are counted including rehearsal and travel time.

(Continued)

**Awards:**

A monetary award will be given annually to an individual volunteer who has given the most hours of music-related services to people in their homes, nursing homes, hospitals, retirement homes, schools for the disabled, prisons, etc. A monetary award will also be given to the club with the highest number of hours. Recognition of any individuals who gave 100 hours or more and to the clubs that gave 1000 hours or more of music-related services will be printed in our reports at the convention.

**MUSIC OUTREACH TO DISABLED CHILDREN:**

Statistics indicate that Federation members have reached out with music to the elderly, often in nursing or retirement homes. However, disabled and confined children, from birth through seventeen years of age, enjoy music also. The Federation is encouraging members to reach these children by adding the category "Disabled and Confined Children."

**Suggestions for reaching Disabled/Confined Children (birth through 17):**

Before attempting these suggestions or any of your own, get permission from the person responsible for these children. This is not only necessary, but can also be very helpful. A good relationship with administrators, staff employees and parents/guardians can enable a volunteer to obtain valuable information about the best way to reach these children with musical activities.

**General Hospitals**

- Supply music materials to the children's floor of the hospital.
- Relieve a tired parent/guardian by playing music or reading a book about music to the child.
- Send or present musical get-well or holiday cards to hospitalized children.
- Donate musical items to hospitalized children.

**Children's Hospitals:**

Usually groups are allowed to present programs at certain times in the hospitals. Musical programs are appreciated by the children, their parents/guardians and the hospital staff. Since children are typically hospitalized for longer periods of time, it may be possible for a club to "adopt" one child (or more) for members to visit and share musical activities.

**Special Olympics for Music:**

Perhaps you can organize this in your city or state for children who are included in the special education category.

**Homebound Disabled Children:**

Many cities have children who would enjoy being reached musically. A club or even some of its members could "adopt" one or more of these homebound disabled children.

**Juvenile Justice Centers**

- Provide musical programs.
- Provide spiritual music for religious services or individual use.
- Donate musical tapes/CDs, videos, books, etc.

Sometimes children who are not violators of the law are housed at these centers because they have been abandoned by their parents. These children usually attend regular school but have to return to the center where they are partially confined. Musical activity offered to them would make their lives more enjoyable while they are living at the center.

Clubs volunteering a total of 1000 hours or more and individuals who volunteer 100 hours or more are honored by publishing their names in *Music Clubs Magazine*.

200 Rocky Point WAY  
Greenville SC 29615  
(864) 351-8010  
Email: [sjkellar@gmail.com](mailto:sjkellar@gmail.com)

### **GOAL AND METHODS**

Since 1962, an award has been endowed to honor each president of the National Federation of Music Clubs for her/his service. The outgoing president determines the area for which the award will be designated.

#### Goal:

Receive contributions to fund the outgoing NFMC president's chosen award. It is estimated that funding should reach \$35,000 by June 2027 to adequately service future scholarships.

#### Methods:

##### State Presidents:

1. Appoint an ONP chair whose duties would be to coordinate and encourage donations to reach the desired state fund goal. The suggested state fund goal is \$1,000 in the four-year period. The ONP chair should work closely with the regional vice president and the NFMC ONP chair. The state ONP chair should offer suggestions for fundraising to the local clubs.
2. Donations should be sent to the NFMC executive director clearly marked for the "Deborah Freeman ONP Account." Lists of these donations will be sent to the NFMC chair, with reports sent to the state presidents twice a year.

##### Committee: Regional Vice Presidents

1. Oversee the clubs and states in their area giving encouragement for continued fundraising.
2. Contact this chair with suggestions for other sources of revenue.

All donations are tax deductible and will be gratefully received.

## **TAX EXEMPTION FOR GROUPS**

*Duane D. Langley, Chair*  
1203 Whispering Pines CT  
St. Louis MO 63146-4541  
(314) 878-2193  
Email: DuaneLangley@sbcglobal.net

### **GOALS AND METHODS**

#### Goals:

1. Provide simple and cost-free IRS 501(c)3 tax exemption for the NFMC regional and state federations and local clubs.
2. Keep the IRS informed of changes in the status, contact person or address of subordinate organizations.
3. Contact each subordinate organization on a yearly basis to confirm their information required by the IRS.
4. Make an annual report to the IRS of current subordinate organization information.
5. Keep subordinate organization informed concerning tax law changes affecting tax-exempt organizations.

#### Methods:

1. Organizations wishing to be included in the group exemption should contact the chair at the address given above (preferably by email) for instructions and sample documents for the application process.
2. There are three steps for the applicant in the process: obtain an Employer Identification Number (EIN), modify the organization's constitution to include certain provisions and file an application letter with the chair.
3. The chair then files the necessary request with the IRS and notifies the organization when it has been approved.
4. The chair contacts each subordinate organization by email or phone each year to confirm or update the IRS required information. This information is sent to IRS by March 30 each year.
5. The chair sends a reminder email to each subordinate organization after their fiscal year ends to file the E-Postcard Form 990-N with the IRS.
6. Organizations should notify the chair if their status, contact person or address changes at any time during the year.

Tax Exemption for Groups is primarily intended to ensure that contributions to the organization are tax-deductible for the contributor but is useful in other ways. It is frequently a requirement when applying for grants or for obtaining state sales tax exemption. The application process is easy but can be lengthy, so clubs are encouraged to start the process early.

### GOALS AND METHODS

#### Goals:

Receive information about contributions made as memorials for loved ones who are deceased or to recognize and honor active leaders, officers, musicians and friends during their lifetime.

2. Recognize honored persons in the *Music Clubs Magazine* for whom a minimum of \$25 donation was received by NFM.

#### Methods:

2. Send Memorials and Recognition checks to the NFM executive director for deposit.
3. Inform the bereaved or honored person of gift when donor provides appropriate information on the application form.
4. Enter the name of the honoree and the donor in the NFM Book of Memorials and Recognitions as a permanent record of the gift.
5. Prepare a list of honorees and donors (who have made minimum contributions of \$25 or more per memorialized/honored person) for listing in the NFM Conference/Biennial Convention Memorial & Recognition program and will send list to the NFM executive director.

All gifts are tax deductible. Use the Memorial and Recognition Fund Form (FI 4-1).

**National Meeting Memorial Listing:** All memorial contributions (minimum \$25 per memorialized/honored person) will be listed in the NFM Conference or Biennial Convention Memorial & Recognition program.

### **GOALS AND METHODS**

#### Goals:

1. Provide a program that encourages musical growth, promotes study, stimulates interest in American music and motivates participants to reach high standards of excellence in their musical endeavors.
2. Provide musicians of all ages with opportunities for musical growth and achievement. Federation Festivals meet the needs of junior musicians under the age of 19 as of the date of their Festival event. Adult festivals provide adult students with a chance for evaluation and encouragement in their musical studies, regardless of experience or age.
3. Offer opportunities for participants to perform and receive an evaluation. Participants do not compete but are rated on individual merits. Federation Festivals are for all interested NFMC members.
4. Increase participation by our nation's music teachers, junior counselors, and junior and adult musicians in NFMC Federation Festivals on an annual basis.
5. Promote NFMC through the Federation Festivals program.

#### Methods:

1. Communicate to state presidents the following information and suggestions concerning festivals:
  - Become knowledgeable about the NFMC Federation Festivals program. Know its purpose and rules.
  - Be proactive in the selection of enthusiastic, competent and experienced state festivals chairs. However, once a state festival chair has been elected/appointed, do not interfere unnecessarily in the administrative processes that fall under the purview of the State Festivals chair position.
  - Provide opportunities for festival workshops at regular state board meetings, state conventions or other state meetings.
  - Encourage involvement of all members in the state Federation Festivals.
  - Promote participation in a wide variety of festival events. There are over 140 possible festival events. Do not limit your state's participation to piano solo.
2. Complete all reports in a timely manner so that all deadlines are met.
3. Reports will be shifting to computer format. Data entry will be an important component of Federation Festival reporting at all levels. Chairs may delegate this to a capable assistant if needed.

(Continued)

## State Chairs

1. Secure one copy of each NFMC publication used for Federation Festivals from the [nfmc-music.org](http://nfmc-music.org) website. Select those publications that will be necessary for your state's festivals. Direct area chairs to these publications online and provide guidance to them if they should need assistance in understanding the forms.
2. Study carefully the NFMC *Federation Festivals Bulletin*, the NFMC Junior Division Federation Festivals Procedures Manual (JR 3-18) and all articles relating to Federation Festivals in *Junior Keynotes*. Be familiar with all the rules and procedures that govern NFMC festivals.
3. Hold a festivals workshop at least once a year for all area chairs within your state. At this time instructions can be given, problems discussed, festival supplies distributed, dates set for area festivals, record keeping explained, etc.
4. Be sure area chairs understand all rules governing Federation Festivals and deadline dates for reports and collection of festival fees.
5. In collaboration with your state federation, develop guidelines for Federation Festivals. Guidelines must adhere to NFMC rules.
6. All reports, requests and certificates must go through the state chairs.

GOAL AND METHODS

Goal:

Provide motivation for learners of all ages to continue their musical training through participation in festivals and earning points to receive Federation cups. The plan, which is sponsored by NFMC, is available to all entrants in the NFMC Federation Festival program, including adults. Accumulation of points is not affected by an interruption in Festival participation or rating progression.

Methods:

1. State presidents must appoint a state Federation Cup chair who will be responsible for verifying points and keeping accurate records. Local festival administrators, local Federation Cup chairs and state Federation Cup chairs may order Federation Cups directly from Crown Awards. Payment must be made online to NFMC.
2. The state Federation Cup chair must follow the guidelines as listed below.

**State Federation Cup Chair Responsibilities:**

1. Study carefully the cup rules in the **current** *Federation Festivals Bulletin* and be sure that local and area Federation Cup chairs understand these rules.
2. Keep abreast of and communicate policy and procedural changes to area Federation Cup chairs.
3. Follow directives set forth by the National Federation Cup chair and relay pertinent information to the area/center/district cup chairs in a timely manner.
4. Keep accurate state records. All student records should be kept until the student reaches age 19.
5. Each state will determine an annual entry fee; set the time, amount and method of payment for these fees.
6. Collaborate with state Federation Festivals chairs in conducting workshops for state conferences. Cup eligibility has a direct link to following NFMC Federation Festivals guidelines.
7. Only state Federation Cup chairs may validate points, sign and send Grand Cup and President's Cup applications to the NFMC Federation Cup chair for approval using a current JR 4-1 form. Outdated forms will be returned for resubmission on current forms and may cause a delay in the student's receiving the cup.
8. NFMC dues and fees must be paid before cups can be ordered.

(Continued)

**PLAN:**

1. Points accumulate every year the student is entered into the plan. The first cup is earned when point totals reach 15. (See rules in current *Federation Festivals Bulletin*.) Points over the amount necessary for the next cup are carried over and credited toward the next size cup.
2. Festival participants earn points toward a cup in a single event and may not combine event points with the following exceptions/alternations in piano events (see rules in bulletin): Jr. Concerto III, Senior Concerto, Lynn Freeman Olson and ensemble events (duet, trio, quartet, duo piano).
3. An entrant may work simultaneously towards a cup in more than one event but he/she must pay the required fee for **each** event entered in which they desire to accumulate points towards a cup; this includes Junior Composer events.
4. Points will be transferred from state to state using the Festival Transfer Information (JR 3-1) form if and when a junior relocates to a different state. However, cup fees are non-transferrable (see rules in current *Federation Festivals Bulletin*).

Later, in recognition of his wife's accomplishments as the eleventh president of the National Federation of Music Clubs (1925-1929) and her continuing interest in the musical youth of our nation through the many years until her death in 1949, the award was changed to honor both members of the NFMC's distinguished husband-wife team.

The Thelma Byrum Piano Award was added in 1980. It goes to the top scorer in piano, unless that is the Stillman Kelley winner; in that case, the Byrum Award goes to the next-highest scorer in piano.

### GOALS AND METHODS

#### Goals:

1. Bring together young people for regular group study of music, for performance before others and for social enjoyment.
2. Train future club leaders.
3. Cultivate courteous and appreciative audiences.
4. Stimulate interest in creating music.
5. Provide incentive for high standard of performance through Federation Festival events and the Federation Cup Award Program.
6. Encourage service through music.
7. Broaden the vision and the ability of members through understanding of cooperation with the state and national goals.

#### Methods:

Communicate to state federations and local clubs the importance of increasing membership and participation by using the ideas listed below. New members bring new energy, vitality and enthusiasm to any organization. State presidents, state junior counselors and state extension chairs must work together to bring new individuals and organizations into the National Federation of Music Clubs.

Try some of these ideas:

1. Invite existing youth organizations to join NFM, such as church choirs, bands, school choruses, dance studios, handbell choirs, etc.
2. Form performance clubs. These can be multi-disciplinary and give juniors an opportunity to perform before their peers. Include pianists, instrumentalists, dancers, vocalists, junior composers.
3. Form festival clubs. These clubs can assist juniors in preparing and performing for festival as well as providing a venue for receiving the awards following the festival.
4. Form study clubs. This can give juniors an opportunity to learn about the arts as they choose a particular area of study and share that with others in the club.
5. Form junior music service clubs. This would give juniors an opportunity to share their music with those in their community. They could find performance opportunities in schools, day care centers, hospitals, nursing homes, etc. (See JR 3-15a-e on the NFM website.)
6. Involve parents, music teachers, members of federated music clubs and others who are interested in junior club work.
7. Share what works. Let others in the NFM know of the successes of your junior club. Submit informative articles on your club's activities to the *Junior Keynotes Magazine*. This can give others ideas on how to make a junior club work.
8. Learn from others. Be sure you receive the *Junior Keynotes Magazine*, and be sure all your juniors subscribe. This is a valuable tool for helping our junior clubs grow and be successful.
9. The Junior Division chair's theme for 2023-2025 is "Keeping the Music Alive for the Future Through Our Juniors" as we encourage our juniors to enter composition contests, performance competitions, festivals, poetry and essay contests.

**GOALS AND METHODS**

Goals:

1. To promote the National Federation of Music Clubs across America.
2. To support and protect the positive image of NFM.
3. To assist states and local clubs in promoting and publicizing their programs, activities, competitions and music in general.

Methods:

1. Advise state presidents to give information to all clubs and interested parties in their states about NFM, current events, competitions, scholarships and the NFM website. Encourage states to link their state website with the NFM website so that their state information on membership, special events and competitions is easily accessible.
2. Provide information to help clubs prepare radio, TV and newspaper publicity about their clubs, NFM, special events, concerts and competitions. Explain ways to submit publicity to local media outlets.
3. Encourage state federations to place ads in the *Music Clubs Magazine* or *Junior Keynotes* and to seek other ads from community advertisers for our magazines.

**Public Relations Tools for States and Clubs:**

**NOTHING IN THE NFM IS MORE IMPORTANT THAN PUBLIC RELATIONS. Contact members of the Public Relations Division for suggestions and assistance with publicity and promotional projects to help showcase your state and local activities.**

PUBLICIZE IN SOCIAL MEDIA, RADIO, TV AND NEWSPAPERS. Have a website and Facebook page. Be sure to create an event page and invite all your members – and make it shareable for your members to invite. Call radio and TV stations and ask for the person who works with PSA (Public Service Announcements). Ask how and to whom you should submit your material. Most newspapers have events calendars. Send email messages for upcoming events to the editor listed in the paper and be sure to mention that events are free and open to the public.

EMAIL IS THE PREFERRED WAY OF SUBMITTING MATERIAL TODAY. Be sure to tell the “who, what, where, when and why” of your event plus what or whom it benefits if applicable. Give as much information as you can. The editor can select what he/she wants to include. Include the NFM and state websites, along with an organization logo.

(Continued)

CLUB MEMBERS ARE YOUR BEST PUBLIC RELATIONS ASSETS. Remind members to invite their friends and acquaintances to visit music club and then JOIN. Being a member of a music club gives many rewards including the opportunity to meet nationally prominent and locally outstanding musicians.

KEEP BUSINESS MEETINGS PROFESSIONAL. Programs should be interesting, enlightening and enjoyable. Members can enthusiastically share news about their club.

ORDER THE NFMC MATERIALS. These materials help tell our story in tangible ways. It is always helpful to see something in print because it makes our story more powerful. Wear your NFMC pin(s). Let people ask you about them.

LISTEN TO YOUR MEMBERS. Make changes, adjust meeting schedules and create programs to attract community members. Change can make the difference in retention of membership.

SOCIAL MEDIA IS IMPORTANT. POST, ADVERTISE, SHARE

Have a webpage and a public Facebook page (non-profit organization). Create “events” and share with members and on other musician pages. Post pictures. If ASCAP compliant and you have permission, Facebook livestream the event! Be sure to be tasteful, present good quality and create a positive impression.

SUCCESSFUL PUBLIC RELATIONS IS NEEDED FOR GROWTH. If we are to be successful in publicizing and promoting the NFMC, public relations should occur at every level – national, state and local.

## GOALS AND METHODS

### INTERNET

#### Goals:

1. Be sure NFMC website includes contact info for every state organization.
2. Encourage every state to have a website that is linked to the NFMC site. (nfmcmusic.org)
3. Encourage every state to have an internet chair (webmaster).
4. Monitor outside sources for accurate NFMC info.

#### Methods:

1. Aid states in setting up their website and maintain list of state webmasters.
2. State chairs should make sure all important information is included on the state website: such as, all state officers, all junior and senior club information, calendar of state events, state scholarship information with application forms, Junior Federation Festival information.
3. All state information should be updated **monthly**, and chair should monitor the state's information on the NFMC website for corrections and updates monthly.

### SOCIAL MEDIA

#### Goals:

1. Encourage every state and/or local club to have a Facebook public page and/or closed group. Instagram, Twitter, Pinterest, LinkedIn and Google+ are other possibilities.
2. Encourage every state to have a social media chair.
3. Aid states in setting up their social media presence.
4. Encourage regular posting about NFMC, state and local events and awards.

#### Methods:

1. The Facebook public page is a vehicle to promote events, awards and introduce local clubs. Posts may not show up in the newsfeed of people who "Like" your page. Remember this is your public image, so be respectful and thoughtful of what is posted.
2. The Facebook closed group is a method for communicating with members in your state or local club. Closed group posts will show up in members' newsfeeds, unless unsubscribed. Posts and shares will be limited to members only. One will have to adjust privacy settings of a post in order for members to share with those outside the group.
3. Create an event for meetings or when hosting public events/concerts to invite members and their invitees. Encourage members to check in and post pictures when attending the event.

(Continued)

Posts with images receive 94% more views than those without. Tweets with images receive 18% more clicks than those without. So consider adding clip art or make your post more visual. (Be careful not to use copyrighted material.) Sharing links can be effective for this. Refer them to your website for more visibility.

4. Be sure to promote all NFMC /state/club awards well in advance of deadlines.
5. Have clear guidelines for what sort of posts are allowed. Member promotion of self-products and services may cause complaints.
6. Post content consistently in order to build a following. You may schedule repeat posts.
7. Within ASCAP guidelines, consider doing Facebook “Live” of your meetings. It allows those that can’t attend to watch – live or even after it’s over.
8. Post notifications of award winners and tag them.
9. Invite the chair to your page or group. Send a private message to the chair or post on his/her page.

## RADIO/ TELEVISION

### Goals:

1. Promote the NFMC and its local clubs through radio and television.
2. Promote press releases and public service announcements locally.

### Methods:

Communicate with state presidents, encouraging them to:

1. Appoint a state chair to promote high musical standards and to publicize the Federation on radio and television stations by broadcasting local programs and music news.
2. Support public broadcasting with donations and volunteer hours for public service.
3. Submit the Federation *Public Service Announcement* (PSA) to local radio and TV stations in your area.

## NEWSPAPER

### Goals:

1. Publicize national, state and local club functions that would be of interest to music lovers.
2. Share knowledge of your club accomplishments with your community.

The schools of music recognize this scholarship in music education as a much-needed financial aid to the future music educators who may or may not be performers.

In 2003, the National Federation of Music Clubs announced a new official NFMC Benediction. The process for selecting a new benediction was begun in 2001 with a nationally publicized benediction competition.

At the 2003 Fall Session, NFMC President, Dr. Ouida Keck, announced that the judges had selected a winner, and the NFMC Board of Directors adopted "A Gift of Song" composed by Lana M. Bailey (nom de plume, Paige Turner).

"The Gift of Song" is available from NFMC Headquarters, either with words and melody line only (M 1-1) or with words and accompaniment (M 1-2) The words/melody line version (M 1-3) may be printed in club yearbooks.

**JUNIOR HYMN** Lasst Uns Erfreuen

Lord of all life, our God and King,  
Hear thou the hymn thy children sing.  
Alleluia, Alleluia!  
Rich in our heritage we stand,  
Forward we press at Thy command.  
Alleluia, Alleluia, Alleluia, Alleluia, Alleluia!

We would seek beauty, search for truth,  
Inspired by Thee through all our youth.  
Alleluia, Alleluia!  
Bless Thou our effort, guide our will,  
Thy love our inspiration still.  
Alleluia, Alleluia, Alleluia, Alleluia, Alleluia! - Amen

**JUNIOR PLEDGE**

I acknowledge my indebtedness to good music;  
I know that the music of a nation inspires or degrades;  
I realize that acquaintance with great music instills  
a love of that which brings courage and lofty ideals  
and tends toward clean, noble living.  
I promise to do all in my power to make America truly musical.

**JUNIOR COLLECT**

We thank Thee, our Father, for all things beautiful.

Open our minds to the beauty that is music and teach us to remember it as part of Thy great  
goodness to us.

Help us to grow each day unto the stature of Thy grace and keep our hearts so tuned with thy  
heart that our lives may resound Thy very music in the melody of lovely living and in service that  
is song.

**JUVENILE PLEDGE**

I know that by learning to make beautiful music I am helping to make America truly musical.

I promise with all my heart to give beautiful music to my country.

**STUDENT/COLLEGIATE COLLECT**

Dear God and Giver of all things good, grant us the grace of truly hearing music.

Release us to the divine idea beneath its sonant forms and quicken us to the inmost beauty of it,  
that we may perceive Thee, patterned in the miracle of song.

Teach us to discern above earth's discord the purposed melody of Thy eternal love;  
and transpose our lives to tones of higher impulse that, through us, as ministers of music,  
earth's birthright of harmony may be redeemed,  
and men's hearts may sing together in the Concord of fellow service  
and the great Amen of Universal peace.

**STUDENT/COLLEGIATE HYMN**

(Lasst Uns Erfrenuen -1623; words by S. Jeanne Grealish)

Lord, who has blessed us with our youth,  
Guide as we strive to live by truth.  
Alleluia, Alleluia!

Our hymn of praise we offer Thee,  
Thou, God who made our spirits free.  
Alleluia, Alleluia, Alleluia, Alleluia, Alleluia!

Thy universe revolves in song,  
Knowing to thee it dost belong.  
Alleluia, Alleluia!  
Though young, we seek this holy art  
Of offering soul and mind and heart.  
Alleluia, Alleluia, Alleluia, Alleluia, Alleluia!

Ours is the charge to spread Thy name;  
Within our hearts may purpose flame.  
Alleluia, Alleluia!  
To Thee, Creator of this gift,  
Eternal praise our voices lift.  
Alleluia, Alleluia, Alleluia, Alleluia, Alleluia!
